## *About the Institute*

Ramco Institute of Technology, founded in 2013, is one of the premier engineering institutions in Virudhunagar District. It is administered by Shri P.R. Venketrama Raja with a vision to impart high-quality engineering education. The National Board of Accreditation (NBA) has accredited four UG programs — CSE, EEE, ECE, and MECH. Additionally, the institution is accredited by the National Assessment and Accreditation Council (NAAC) with an A+. The college provides world-class infrastructure and facilities to both students and staff members. It offers an excellent learning atmosphere, facilitated by high-quality teaching from well-qualified and experienced faculty members, e-learning modules, and smart classrooms.

## *About Central Library*

The primary aim of the library is to support the curriculum needs of students, teaching staff & support staff of the institution through the development of pertinent collections. The provision of services designed to meet the user information and learning needs such as Book Bank Service, Lending Service, Digital Library Service, Multimedia, and Periodical service. Library follows the open access system, thereby encouraging the user to browse resources freely in the knowledge center.

The library holds a hybrid collection of printed as well as electronic resources that include books, journals, audio-visuals, CD's, e-books, e-journals (IEEE, ScienceDirect, Springer and Wiley), thesis, etc. all these collections are of the best quality and procured based on benchmarking exercises with the AICTE Norms.

## *About SALIS*

SALIS (Society for the Advancement of Library and Information Science) is a registered professional body established in 2002. It has been actively involving in the development of all spheres of library and information science by organizing various programmes, including conference, seminars, workshop, and training programmes on emerging topics in various parts of the country. These programmes are organized through SALIS chapters located in many places. SALIS publishes national and international journals, proceedings, and a newsletter for the exchange of information and knowledge among LIS professionals. SALIS has instituted many awards to encourage and motivate LIS professionals. One of the objectives of SALIS is to train LIS professionals in the country to handle the latest IT tools and techniques more effectively and efficiently and to adopt the best practices to provide high-quality services.

## *Programme Objectives*
