**REPORT ON INDUCTION PROGRAMME**

Ramco Institute of Technology organised an Induction Programme for the first year students on 06.08.2019. The students were given a Motivational Talk on the topic “Champion in Life” by Mr. Ben Genard from Florida University, the USA and his team of 16 young and energetic trainers. Mr. Billy Graham, a close associate of Dr. A. P. J. Abdul Kalam insisted the latter’s vision of empowering youth. There was an inspiring speech by Mr. Ben Genard stressing on determination, dedication, and challenging the hindrances to realize dreams which impelled the listeners to surpass all the obstacles in life. He highlighted the importance of having a vision to ensure that one can succeed. He motivated the students and involved them in the talk. There were cultural presentations. There was an encouraging response from the students.
