RIT-ALUMNI WEBINAR SERIES I - REPORT
GUIDANCE FOR HIGHER EDUCATION

DATE : 24/05/2020

TIME : 10AM - 11AM

TOPIC : Detailed counseling about various streams of higher education by our college alumni.

FACULTY COORDINATOR: Dr.P.Sureshkumar

ORGANIZER : RIT-Alumni Association and RIT - ISTE Students Chapter.

SPEAKER : Ms.T.Geethanjali, Assistant System Engineer, TCS, Chennai.

The session was planned on the digital platform called google meet. The students assembled as said and the session took off on time. The speaker was an alumni of our institution, who is now a team leader in the leading IT mammoth TCS. She elaborated the varied streams which we can pursue after our course. She came up with deep knowledge of each and every courses such as ME, M-Tech, MBA, PhD. Key points about how to select your right institution was shared. Self requirements were made to know. We were also encouraged to crack exams like GATE, TANCET, in order to get admission in a elite institution. All the myths about IT sector were dissolved, and tips to excel in IT Sector were shared among us, significance of coding and communication was stressed.

KEY POINTS:-

- * Streams to pursue
- * Institution selection
- * Exam preparation
- * IT the reality

* Coding & Communication

* Efficiency improvement

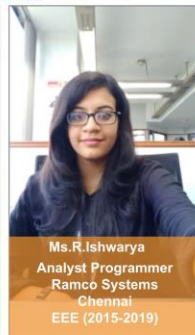

The session ended up with few minutes of interaction to clear the doubts in our mind in a clear manner. That was a very good time spent by us, proving its knowledge, providing us a greater extent of higher education.
