Presents
ROBOTICS SCHOOL QUIZ REPORT

The Department of Mechanical Engineering in association with Automation and Robotics Club of Ramco Institute of Technology and The Institution of Engineers India jointly conducted a ten-day quiz program on "**Robotics- School Level**" from May 6-15, 2020 for school students. There are 20 questions are asked in the quiz form. If the participant is scoring more than or equal to 12 correct answers, he/she will receive the certificate via e-mail automatically. Participants across various locations of India and Singapore participated in this event. Totally 599 responses received and 405 certificates are issued to the participants.

The poster features a central illustration of a pink robot with large eyes and a friendly expression. The text is arranged around and over the robot. At the top, the logos and names of the organizing institutions are listed. The title 'ROBOTICS QUIZ' is prominently displayed in large, colorful letters. Below the title, the target audience and the quiz dates are specified. A section titled 'INSTRUCTIONS' provides details about the quiz format, scoring, and contact information. The bottom of the poster includes social media links and a 'follow us' banner.
