

**One - day Workshop on  
Recent Trends in Green  
Chemistry**

**11 August 2018**

**Registration Form**

Name:

Qualification:

Designation\Degree:

Affiliation:

Mobile No.:

Email id.:

Address:

Place:

Date:

Signature of the Applicant

(Photocopy of this form can also be used)

**Organizing Committee**

**Chief Patron**

**Shri. P. R. Venketrama Raja**

Chairman, RIT

**Patron**

**Dr. N. Jawahar**

Principal, RIT

**Co-patron**

**Dr. S. Rajakarunakaran**

Vice-principal, RIT

**Organizing Secretaries**

**Dr. O. Senthilkumar**

Head i/c, Department of Chemistry

**Dr.G.Kanthimathi**

Assistant Professor (SG), Chemistry

**Hospitality & Local Arrangement**

**Mr.K.Karpagavel, AP (SG), Chemistry**

**Dr.N.Revathi, AP (SG), Chemistry**

**Treasurer**

**Dr. M. Venkatesh Perumal, AP, Chemistry**

**Ramco Institute of Technology**

Rajapalayam 626117

**One-day Workshop on  
Recent Trends in Green  
Chemistry**

**11 August 2018**

**Organized by  
Department of Chemistry  
Ramco Institute of Technology**

Rajapalayam 626117

### About the college

Ramco Institute of Technology was founded in the year 2013 with a vision to impart high quality engineering education at an affordable cost. With the blessings of our founder Chairman Shri P. R. Ramasubrahmaneya Rajha and under the able guidance of our Chairman Shri. P. R. Venketrama Raja, distinguished professionals, academicians and education experts, we continually aim to revolutionize the learning environment by creating an enviable knowledge pool of engineering and technology graduates who are attuned to the current industry requirements. Being part of the Ramco Group, which is well known for its qualitative and innovative brands not only in India but across the world, we look forward to setting high standards in the education sector.

### About the department

The Department of Chemistry has highly qualified faculty members and a well-furnished chemistry laboratory providing necessary practical and research exposure to the students and scholars. Currently, the faculty members of Chemistry are conversant in the following research domains:

- ❖ Metallic and semiconducting nanomaterials
- ❖ Thin film semiconductors
- ❖ Waste management and pollution control
- ❖ Organic synthesis
- ❖ Bio-inorganic chemistry
- ❖ Polymer composites

### Focus of the workshop

The objective of the workshop is to create awareness and train faculty members, research scholars and students in Green chemistry research trends which are currently nurtured for the progressive future. The workshop also provides a common platform for eminent scholars, scientists, academicians and students to share their novel ideas for the sustainability of the society.

### Topics to be covered in the workshop

- Methods of Green Synthesis
- Energy Sustainability
- Solid Waste Management
- Catalysis
- Eco-friendly Products
- Pollution Remediation
- Bio-synthesis

### Eminent Speakers

Dr. R. Vasudevan, Professor & Dean, TCE, Madurai  
(Awarded with Padmashri by Govt. of India, 2018)

Dr. S.M. Senthilkumar, Scientist, CECRI, Karaikudi

Dr. C. Ramalingam, Professor & Dean (SAS)

Kalasalingam University, Krishnankoil

Dr. S. Senthilkumar, Assistant Professor, ANJA  
college, Sivakasi

### Registration

- ❑ Registration fee is Rs. 100 per participant.
- ❑ Participants are requested to pay the registration fee at the time of registration.
- ❑ The workshop is open to academicians, scientists and industry experts.
- ❑ Final year graduate and post graduate students are also encouraged to apply.
- ❑ The registered participants are eligible for registration kit, attending all technical sessions, refreshment and working lunch.
- ❑ Certificate of Participation will be issued to all the registered participants.
- ❑ Registration form can be submitted to [greenchemrit@gmail.com](mailto:greenchemrit@gmail.com)
- ❑ No TA/DA will be provided
- ❑ Last Date for registration is 31.07.2018
