Venue: Civil Seminar Hall

Time: 04.00 pm to 05.00 pm

Sl.No.	Points discussed	Target Date	Responsibility
1	Start of the meeting: The meeting started with the review of the previous meeting held on 24.06.22.by the coordinator Dr. M. Anand		
2	Performance of Internal Test II: On comparing the students' performance in both Internal-I and Internal-II, not much improvement is found in Internal test -II. The mentors said that the reason for poor performance is because of the use of External Question papers from outside.	Continuous	Mentors
3	Students' Exam preparation: Students used to study only the important questions earlier, whereas for Internal test-II they have started studying the whole syllabus because of using External Question papers from outside. This practice can help students, who are good in studies and we have to decide on the average and slow learners.	Continuous	Mentors
4	Study during Exams: It was discussed that, study hours can be planned in the college during the Internal Test-III. The study can be arranged from 5.15 pm. to 6.30 pm. for day-scholar students and from 5.45 pm to 7.30 pm. for the hostel students. This can help the slow learners to clarify their doubts and can help them to learn better. The mentors have extended their support to train the students both in the college and the hostel during the evening hours.	Continuous	Mentors
5	The use of mobile phones: The mentors have again insisted that the main reason for the fall in results in Internal test-II is because of the use of Mobile phones. They also requested that the use of mobile phone can be restricted at the time of Internal examinations alone.	Continuous	Mentors
6	Mentors request: The mentors requested for arranging a session on Mentorship and counselling before the start of next semester.	Continuous	Mentors
7	Close of the meeting: The Meeting ended with the co-ordinator asking all mentors to extend their kind cooperation for the enhancement of students' performance in Internal Test-III and also to update the AC 10J student mentor progress sheet.	Continuous	Mentors
