NBA Accredited UG Programs: CSE, EEE, ECE and MECH

MEASURES INITIATED BY THE INSTITUTION FOR THE PROMOTION OF

GENDER EQUITY DURING THE YEAR 2021-2022

Specific facilities provided for women in terms of:

a) Safety and Security

At RIT, there is a secure and safe learning environment. The Women's Welfare Cell and the POSH Cell work tirelessly to raise awareness of women's empowerment, safety, and health. These cells contain executive members from the faculty and students who participate in running programmes and With the assistance of competent and well-known women, regular webinars on women's safety and health are conducted. Additionally, the college is well-guarded by CCTV system in the academic building as well as the girls' and boys' hostel to assure safety on our campus.

Campus Camera--44 , Boys Hostel—95, Girls Hostel—10

b) Counseling

RIT features a counselling space with a licenced counsellor to assist students in managing stress and the challenges of being a young adult. Confidentiality is upheld and counselling is provided on an individual basis. Students receive assistance in realising their true potential, maximising their performance, and improving their personality. Students can use the service for any type of personal or academic issue that is troubling them.

c) Common Rooms

Common Rooms: First aid

To ensure that the students and staff are taken care of in an emergency, first aid kits are placed in each laboratory, office, and department. Both the girls' and the boys' common rooms are equipped with the required beds, medical equipment, and other amenities. Students can rest here while they are in class. To transfer the students to the local hospitals in the town, a 24-hour transportation service is also offered. A doctor has been appointed and makes a weekly general consultation visit to the campus. Additionally, a psychologist makes weekly visits to provide therapy to the pupils who require it when under stress or anxiety.

d) Daycare Centre:

The Ramco Institute of Technology's Day Care Centre was founded in the year 2020 to offer day-care services to the institution's working parents' children between the ages of 3 and 10. The Centre for Women Welfare Safety and Progress oversees the operation of the centre.

The day-care centre is operating with all the tools, furnishings, facilities, and playthings required for the kids' cognitive and physical growth. For the centre to run smoothly, a dedicated caretaker (non-teaching personnel) has been hired.

Any other Relevant Information

With a convenor, faculty coordinators from every department, and student members, the institution's Centre for Women's Welfare, Safety, and Progress runs smoothly. This centre operates in accordance with the rules established by AICTE/UGC. The members get together on a regular basis to arrange activities, events, and competitions that will help spread the word about women's empowerment and equality. The numerous obstacles and hurdles that female students can experience are explained to them, along with the proper person to whom they should be addressed. Based on the concerns and complaints, prompt preventive and corrective steps are implemented.
