Dear Sir,

Sub : Permission requested for Industrial visit – reg.

As you are aware, Ramco Institute of Technology has started offering Engineering courses in 5 disciplines from 2013-14 and we have around 300 students. As part of the curriculum, the students are required to undertake Industrial visit to a reputed organisation. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have better appreciation of practical applications of theory. We would like to send a batch of about 119 students of Civil Engineering and Mechanical Engineering to your esteemed industry preferably on 22.02.2014 (Saturday Afternoon).

I request you to kindly accord the necessary permission for the above visit and arrange the man power for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favourable response, in this regard.

Thanking you,

Yours faithfully,

Dr.R.V.Mahendra Gowda
