Dear Sir,

Sub: IP Awareness Programme – Second year Students of all branches - All faculty members
- Ramco Institute of Technology – reg.

Ramco Institute of Technology (RIT) has been established as a corporate social contribution to offer value based quality technical education at an affordable cost. Our Institution is approved by AICTE, New Delhi and affiliated to Anna University, Chennai. RIT is an Institution of difference as it is guided by a prominent Governing Council consisting of distinguished professionals, academicians and education experts, we continually aim to revolutionize the learning environment by creating an enviable knowledge pool of engineering and technology graduates who are attuned to the current industry requirements. As Ramco being the pioneer and leading industrial conglomerate, we endeavour to provide a world-class educational experience to our students and enable them to transform into successful graduates with life-long learning skills for leading a fulfilling human life.

To enhance the Innovative and Intellectual skills of our students and faculty members, we wish to educate on the topics covering various aspects of Intellectual Property Rights including IPR and Business Competitiveness, Patents, Trademarks and Copyrights by way of organising One-day IP Awareness Programme on 23-08-2014 (Saturday) by your distinguished Experts. In this regard, kindly inform your consent along with Expert details at your earliest convenience. We will provide the following facilities to the Experts, such as accommodation in our Guest House, Second A/C Train fare (to and fro) from your place to our Institute, local travel arrangements, Honorarium as per our Institution norms.

Thanking you,

Prof.S.Rajakarunakaran, HOD/Mech
Programme Coordinator
(IP Awareness Programme)

RAMCO INSTITUTE OF TECHNOLOGY, RAJAPALAYAM

Department of Mechanical Engineering

Academic Year: 2014 -15 (Odd Semester)

CIRCULAR

Date: 06/08/2014

To enhance the innovative and intellectual skills of our students and faculty members, we are planning to organize a “**workshop on Intellectual Property Rights (IPR) Awareness**” on Saturday, **23rd August 2014** at ECE seminar Hall. This workshop would focus on,

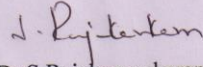

- Introduction to IPR
- Introduction to Patents
- Introduction to claim Interpretation / Drafting
- Importance and scope of IPR in academic Research.
- Procedure of patent writing and patent filing.
- Types of Innovation Patentable and how to test Patentability of innovations.

The expert for this Intellectual Property Awareness Workshop is **Shri.P.Balamurugan**, Assistant Controller of Patents and Design, Patents Office, Chennai. The expert will also give guidelines to the Faculty/ Students to fill Patent application of their innovations, if any.

All the interested students and Faculties are requested to submit the Registration form as per the given format to Mr.M.Lakshmanan, AP/MECH on or before **20th August 2014**. The total number of participants allowed will be **100**, on First come First Serve basis (Maximum of **20** Registration per Branch). Faculty members and Students are requested to make best use of this opportunity. At the end of the program, Certificates will be issued to all participants.

Dear Sir,

On behalf of RIT – Department of Mechanical Engineering, we sincerely thank you for sparing your valuable time for Workshop on IPR Awareness Programme of our Association of Mechanical Engineering (RIT – MECHANIZO) on 23.08.2014. Your kind presence in the program encouraged us a lot and made us more confident in our Professional Career. It was a great pleasure to host you at our organization as the Chief Guest.

We appreciate your interest in the well-being of our Mechanical Engineering students. Your suggestions have provided us a guideline to proceed more precisely for the betterment of the technical profession. We hope that this kindness and cooperation will remain continue in the future.

With warm regards,

CLOUD COMPUTING REPORT

Rameo Institute of Technology, Department of Computer Science and Engineering Association "RIT-CLUSTRA" Organized a one day guest lecture on "Cloud Computing" for Second year CSE Students on 18 October 2014.

Dr.K.Vijayalakshmi, Head of the Department, CSE welcomed the gathering. The Resource Person was **Mr.E.Iniya Nehru, Senior Technical Director** from **National Informatics Centre, Chennai**. The programme commenced with the welcome address given by Dr.K.Vijayalakshmi, Head of the Department, CSE welcomed the gathering. The chief guest introduction was presented by R.Keerthana, Second year CSE student.

After that the Resource Person gave his presentation on the topic Cloud computing and It's Application. He explained the students about Cloud applications, recent trends in cloud, and He also insisted the students to gain soft skills. The students found the session to be highly informative and useful. The programme came to the end with the vote of thanks proposed by N.Vishakraj, Second year CSE student.

Workshop on “Network Connections, and Terminations”

15 October 2014

Facilitators:

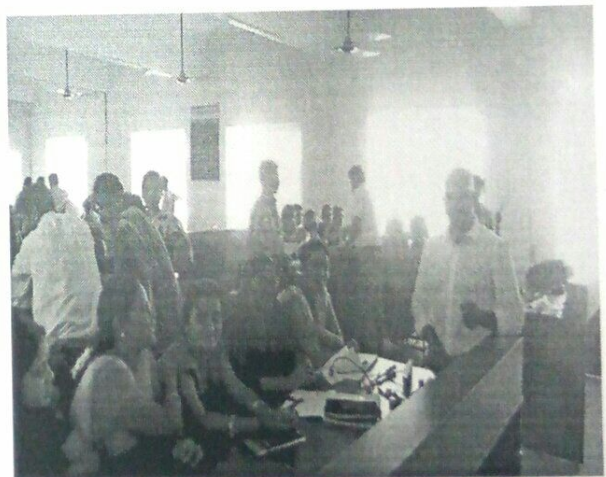

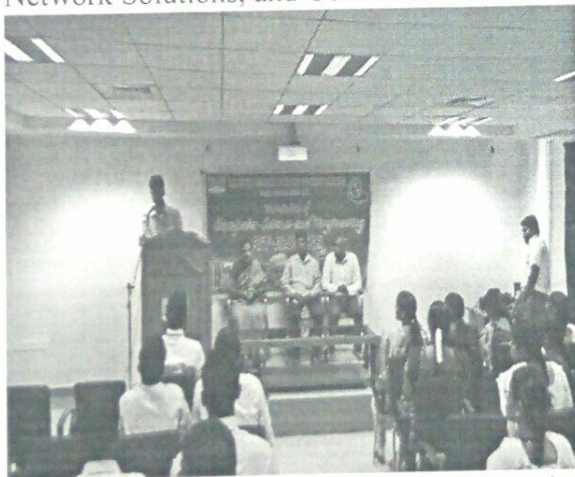

Mr. Jeyakumar,
Project Engineer, Tyco Electronics.

Attended by:

II year students from CSE department – 66 members

The Department of CSE conducted a one day workshop on “Network Connections, and Terminations” for II Year CSE Students. Mr.Jeyakumar, Project Engineer of Tyco Electronics delivered a guest lecture on “Network Connections”.

Mr.Jeyakumar gave a lecture on network connections for the first half day and hands on training during the afternoon session. He started his lecture by giving the introduction about the Tyco Electronics Ltd., has now been named as TE connectivity. Its headquarters is located at Switzerland. TE Connectivity Ltd., designs and manufactures connectivity and sensor solutions for a variety of industries including automotive, industrial equipment, data communication systems, aerospace, defense, oil and gas, consumer electronics, energy and subsea communications. The company serves customers in more than 150 countries. TE Connectivity operates through four major segments via Transportation Solutions, Industrial Solutions, Network Solutions, and Consumer Solutions.

The next half day, he indoctrinated us with the routers, hub, switch, adapter, interface, packet, connection, LAN and some networking protocols. He also explained about TCP (connection oriented), IP, UDP (connection-less). He taught the students about routers, hub, switch, adapter, interface, packet, LAN and networking protocols.

- RIT-STRUCTA arranged an Industrial visit for the II year students of Civil Engineering to Vaigai Dam in Madurai on January 22, 2015. The students then visited the Water Treatment Plant at Pannaipatti.
- The Department of Mechanical Engineering organized a guest lecture on “Engineering Design” on February 03, 2015 for II year Mechanical students. Dr.Raghu V Prakash, Professor, Machine Design, Department of Mechanical Engineering, IIT Madras, Chennai was the resource person. He explained the role and impact of various design software in Automobile, Aerospace and process industries with valid real-time case studies.
- The Department of ECE organized a one day Industrial Visit to Vikram Sarabhai Space Centre-ISRO, Thiruvananthapuram, for 67 students of II year ECE on February 06, 2015. The students gained basic knowledge of the Communication field. They learnt about the development of satellite launch vehicles and distinct technology domains to achieve a high-tech realm of vehicles technology.

Visit to VSSC – ISRO Thiruvananthapuram

- The Department of ECE organized a One day Industrial Visit to Ramco Spinners Limited,

Visit to Ramco Spinners Limited, Rajapalayam.

Rajapalayam for 105 students on February 07, 2015. They were exposed to one of the world’s best machinery and sophisticated electronic instruments for high quality combed cotton yarn of 60s, 30s, 20s and 16s count for export to Europe, South East Asia and Japan. The mill has a total capacity of 43,296.

- The Department of EEE conducted a Workshop on “PLC Course” on February 16, 2015. Mr.G.Raghuramraja, Lead Engineer, Stonehat Technologies Coimbatore delivered a lecture on PLC basics, Architecture, system, input, programming, basic ON/OFF control using switch or sensor, concepts of timer and counter, PLC output, Data flow and Scan process.
- The Department of Mechanical Engineering conducted workshop on Programmable Logic Controllers (PLC) on February 18, 2015 to all the II Year Mechanical Engineering students. Mr.G.Raghuram Raja, Lead Engineer, Stonehat Technologies, Coimbatore was the resource person. In this workshop, the resource person highlighted the real time PLC applications in various Mechatronics systems.
- The Department of Mechanical Engineering arranged a one-day industrial visit for I year Mechanical Students to “The Ramco Cements Ltd”, Virudhunagar, on February 20, 2015. It provided a good industrial exposure to the students. Mr.J.Jerold John Britto, AP/Mech., and Mrs.R.Kalaivani, AP/Mech., Class Advisors, coordinated and accompanied the students. The detailed report of the industrial visit was prepared and submitted by the Class Representatives and the Class Advisors.

Industrial Visits to Ramco Cements

- The Department of Mechanical Engineering arranged a One day Orientation Programme “Latest Trends in Manufacturing Sector with Software Demonstration” for II year students on February 21,
