

RAMCO INSTITUTE OF TECHNOLOGY

Academic Year: 2021-2022

ALUMNI DETAILS AND FEEDBACK

1. Name of the Candidate : Hassan-ul-haq
2. Register Number : 983616106301
3. Degree & Branch : ECE
4. Batch : 2021 to 2020
5. Email ID : huseyshore@gmail.com
6. Mobile Number : 7981793466
7. Communication Address : W, Nanthawarapathi Street,
Sivilliputtur.
8. Permanent Address :

9. Details of Current Employment:

- a) Name of the Organization : Concenterix
- b) Address of the Organization: EcoSpace, Bellandur
Bangalore
- c) Designation : Tech Support representative
- d) Annual Income :
- e) Employee ID (if applicable):

10. Details of Higher Studies: (if applicable)

- a) Name of the Institution :
- b) Name of the University :
- c) Degree :
- d) Year of Passing :

11. Details of Entrepreneurship: (if applicable)

- a) Name of the Organization :
- b) Address of the Organization :

- c) Website and email ID of the organization:
-
- d) Company is self start-up or family business:
- e) Registration Details of the Organization :
- (GST registration)
- f) Would you like to recruit RITians in future if required?

12. As a graduate of RIT, Where do you place yourself on the following Graduate Attribute Grid?

	Importance to your present					RIT Contribution to your development				
	1 low	2	3	4	5 High	1 low	2	3	4	5 High
Technical										
Using information technologies and search strategies to access information					✓					
Critically analyzing and evaluating ideas/information					✓					
Examining problems and integrating/synthesizing ideas/information from multiple sources					✓					
Constructing clear, precise, and accurate arguments/statements/reports				✓

Recognizing and acting on ethical principles					✓					
Valuing learning as a lifelong process				✓						
Being involved in public and societal affairs					✓					
Developing and sustaining an active and healthy lifestyle					✓					
Understanding issues and problems facing the world					✓					
Understanding issues associated with gender equity, ragging					✓					

13. These questions ask about your experience as student at RIT. Please indicate the extent to which you agree or disagree with each of the statements. If you do not have the experience, please select the 'not applicable' response option.

	Agree	Tend to agree	Neither agree or disagree	Tend to disagree	Not applicable
My participation in value added courses/programs has had a constructive influence on my profession.	✓				
The knowledge and/or experiences I gained by engaging in Projects and participating in technical competitions such as Hackathon, Design contests, Coding Contests etc. has had a progressive impact on my occupation.	✓				
Involving in extra-curricular events has increased my interest in participating in current/future arts/cultural events.	✓				
My participation in internship programs, industrial visits and in-plant trainings has had a positive impact on my career.		✓			
Hindi and Foreign language courses at RIT helped me gain appreciation in my workplace.	✓				
My physical education activities in sports & games have had a positive influence on my present physical fitness and health habits.	✓		✓		

Participating in NSS/YRC and other NGO service activities has had a lasting impact on my commitment towards improving the society.					
--	--	--	--	--	--

14. Your valuable opinions and suggestions are solicited for further improvement of the Institution Academic system

Sl. No.	Particulars	1 low	2	3	4	5 High
1.	The learning I had in the Institution is useful in my career.					✓
2.	The developments in the institution in recent years are appreciative.					✓
3.	RIT is involving alumni in its activities.				✓	
4.	Alumni have a role to play in academically strengthening the Institute further.					✓
5.	Alumni have a role to play in infrastructural development of the Institution.					✓
6.	Alumni should take initiative to efficiently enroll and strengthen the Alumni Association.					✓

15. Valuable Suggestions:

a. What courses/workshops would you recommend for our students to improve their technical competency?

Webinar's, Workshops, Guest Lectures for Industrial applications

b. Did you identify any gap in the curriculum in the domain/fields of your organization? If so, could you recommend any online/value added courses for our students to bridge the industry-institute gap?

Value added Courses for Embedded and VLSI domain

c. Any other comments:

15. Valuable Suggestions:

a. What courses/workshops would you recommend for our students to improve their technical competency?

Conduct more Webinar, Seminar.
start placement training from first year.

b. Did you identify any gap in the curriculum in the domain/fields of your organization? If so, could you recommend any online/value added courses for our students to bridge the industry-institute gap?

Do conduct workshop.

c. Any other comments:

Faculty members Present:

1. Mr.S.Dharmar
2. Mr.G.Karthikeyan
3. Mr.T.Chockalingam
4. Mrs.R.Kalaimani
5. Mr.R.Muruganatham
6. Mr.J.Ram Prashath
7. Mr.V.Ragavan
8. Mrs.A.Leema Margret

Alumni Present:

1. Mr. P.Gopi Krishnan (2013 – 2017 Batch)
2. Mr.R.Devamurugan (2015 – 2019 Batch)
3. Mr.Rohith kumar (2015 – 2019 Batch)

4. Ms.S Maha Vidya (2016 – 2020 Batch)
5. Ms.C. Deva Dharshini (2017 – 2021 Batch)
6. Ms.M.Mubena (2017 – 2021 Batch)
7. Mr.M.Dinesh (2013 – 2017 Batch)

Mr. G.Karthikeyan, Assistant Professor (Sr.Gr.) delivered the welcome address to our faculty members and alumni students of all the batch and presented department progress and facilities developed for the students during the year 2021 - 2022.

He discussed about vision, mission, POs, PEOs, PSOs, innovative practices in teaching and learning, Industry Institute Interactions, Internship, Industrial Visits, Students achievements, Training and Placement, Program Organized, Consultancy works, Value added courses, Faculty participation, Alumni interactions and Action taken for the alumni suggestions. Students felt very happy about the developmental activities carried out over the years.

Mr.S.Dharmar, AP(Sr.Gr.) & Head interacted with alumni about our college recently established RIT - Centre of Excellence for BIM Lab in association with Bentley Education and TechApps, Chennai. From this BIM Lab we have planned to conduct training programs of Bentley software's like STAAD.Pro, Open Building Designer and Open Roads for our students and faculty members. Also, He discussed about Construction Practices Lab and Drone Lab establishment progress.

Mr. P. Gopi Krishnan, Assistant Project Manager, SGS India Pvt. Ltd., Salem shared his college experience. He asked training program of DGPS and Drone surveying for alumni after the establishment of DGPS and Drone Lab in our campus.

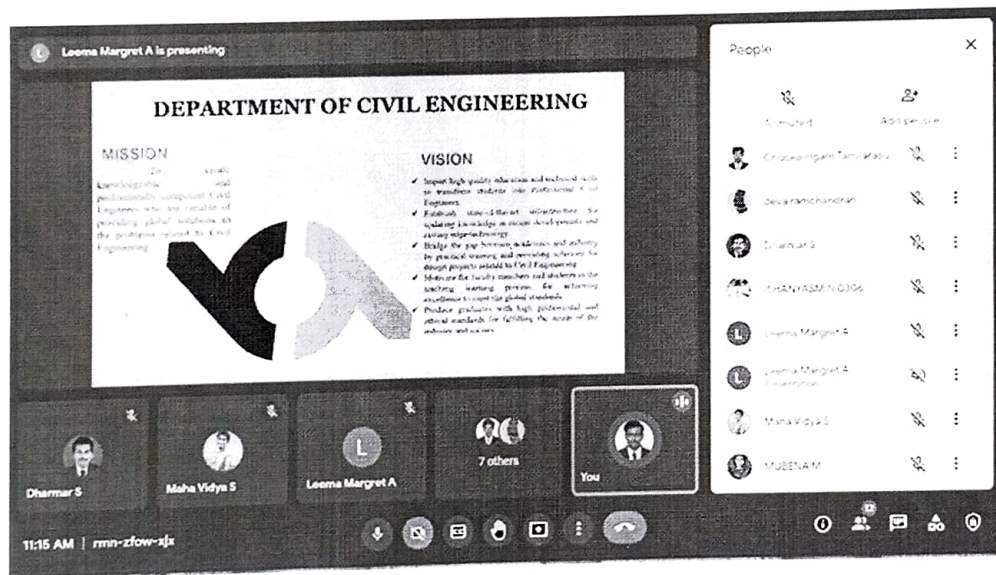

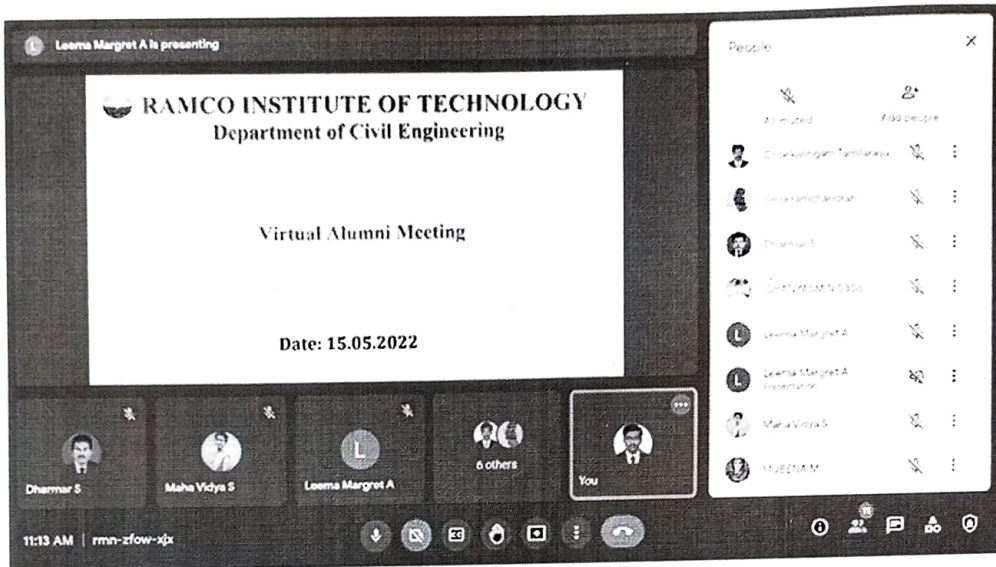

Ms.S.Maha Vidya, Structural Engineer thanked RIT and faculty members for conducting Virtual alumni meet. She appreciated our college faculty members for the quality education for our students. She insisted to give more practice on IS code books as it will be largely helpful during placement activities. Also, She asked more core company placement opportunities for our students in the coming years.

Mr.Devamurugan said happy to know about college program organized and facilities enhanced for students. He told that, we will support for our college admission and Department development activities.

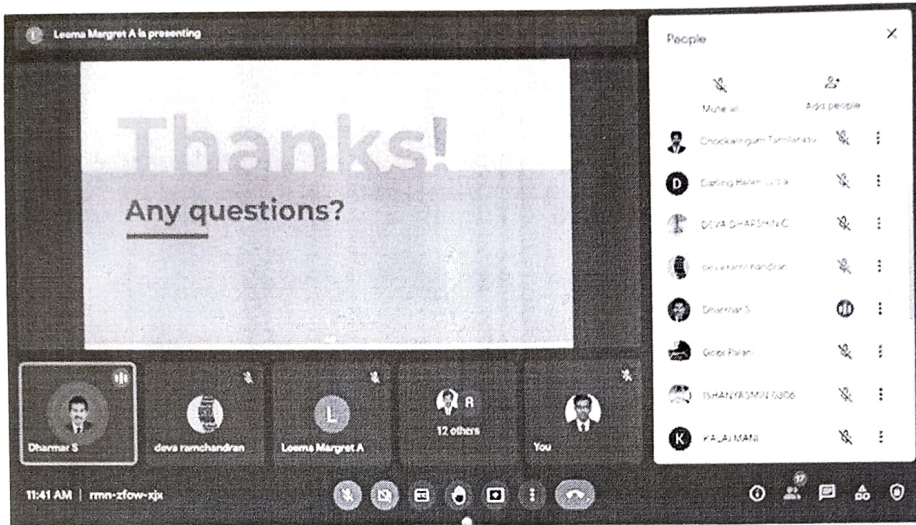

Mr.Rohith Kumar, asked to strengthen core companies placement for our students. He requested to make our students to know more about modern building materials as many new materials have been discovered apart from the materials as we study through our B.E. curriculum. He also appreciated our faculty members for the good teaching.

Mr.G.Karthikeyan, Assistant Professor(S) interacted with Alumni about current openings in industries and asked to share the experience through Guest lecture for our students. They agreed to conduct the same.

Mr.T.Chockalingam, Assistant Professor proposed the vote of thanks.

Department of Civil Engineering, Ramco Institute of Technology, Rajapalayam launched RIT Centre of Excellence for Building Information Modeling (BIM - A Futuristic Lab) in collaboration with Bentley Education and TechApps Consulting, Chennai

Hi Mam,

Hope you are doing well. Sorry for the late reply. Here are some of the points where i think some more topics can be added.

DBMS

I can see there are lot of topics covered in theory and also real time problems are included in lab exercises. Still lots of hands on practice with DBMS is something we can take into account. As everyone has to deal with DB at one point no matter what technology they are working on.

Internet Programming

More importance to be given for java, js, jquery, web services handson etc as these concepts are also quite common across all technologies.

Software Engineering

Software engineering practices like project life cycle, story pointing, how we transform business requirements to technical solution can be better explained with case studies. Like explaining some business requirements and asking them how they will put it into a requirements document and how we estimate it, what are all the tools we use for project management etc. Again this is something which is not technology specific and have as much importance as learning any programming language

Data Science

Data science is one of the important vertical that is growing fast. There are so many tools that helps in dealing with data. We can just explore on how these tools helps organizations deal with lots of data.

AI and ML

Similar to data science we have lots of tools that helps organizations to make their system intelligent. We can create little more awareness on that.

To conclude, As we can't train them in all possible technologies, we can try to be aware on what all possible verticals are there and how exactly it is used in a MNC and to understand how we are going to apply everything we learn.

Hope this helps!

Thanks and Regards,
Asmitha Ravikumar

Dear Asmitha,

Greetings from Ramco Institute of Technology CSE!

As a part of curriculum gap identification, we request your suggestions in our syllabus for any one or two courses (**attached the syllabus**) with the aspects of industry needs, placements, research etc. into consideration.

You can find the syllabus for the courses, PSOs and PEOs attached with this mail.

Kindly give your idea/suggestion regarding inclusion of emerging concepts that

- could be conducted through special sessions
- accomplish our Program Educational Objectives
- fill the gap between the current curriculum in the institution and the industry expectation.
- Any additional topics may be taught through guest lecture, workshop, handson session etc.

with regards,
