## EMPLOYER FEED BACK FORM

Name of the Person : Sankhosh S

Company Name and Address : Centizen Pnc, No. 25, Vinayagar Nagar, NGO A Colony, Jeba Corder, TVL.

Team Leader / Project Manager Name: Andrew Rayan

Email Address of the Team Leader: andrew.rayan@centizen.com

Mobile Number: 98720156

Evaluation Period (Term of employment/Internship): From: ..... To: .....

Please Tick the appropriate Boxes: 6 months Internship, 30 months employment

Sl. No.	Description	1 Low	2	3	4	5 High
1.	How do you evaluate the academic and technical competence of RIT graduate(s)?					✓
2.	The curriculum and syllabus provide sufficient knowledge in the area of study				✓	
3.	The curriculum and non-curricular initiatives taken up by RIT has helped the students to attain the required competency level					✓
4.	What is the level of our graduate's communication skills?					✓
5.	Where would you place our graduate's ability to apply his learning at workplace?					✓
6.	How do you evaluate RIT graduate's ability to select and apply modern engineering and IT tools?					✓
7.	How do you rate his/her level of commitment to work and his/her voluntary involvement in the company's Corporate Social Responsibility (CSR) activities?					✓

8.	How would you grade the level of professional, social and ethical behaviour of RIT graduate(s) as an individual and as a member of a team?						✓
9.	How do you rate our graduate's ability in adapting to the changes in the work environment and accepting diversity in work place?						✓
10.	How do you rate our graduate's practical exposure and ability to design and develop solutions for complex engineering problems in their domain?						✓
11.	How would you rate his/her ability to manage projects in multidisciplinary environments?						✓
12.	To what extent, RIT graduate(s) was able to convey reports precisely and effectively?						✓
13.	How would you rate the ability of RIT graduates when working in a team?						✓
14.	Does the RIT graduate take initiatives in proposing new ideas/suggestions/project proposals? If yes, to what extent?					✓	
15.	How do you rate the overall performance of RIT graduate as an employee towards the organisational growth?						✓

**Valuable Suggestions**

1. What courses/workshops would you recommend for our students to improve their technical competency?

..... We recommend to conduct workshops in **Emergent Technologies** .....

2. Did you identify any gap in the curriculum in the domain/fields of your organization? If so, could you recommend any online/value added courses for our students to bridge the industry-institute gap?

**Pls recommend to learn online certified courses**

.....  
.....  
.....

## Requisition for Curriculum Gap / Industry requirement - Suggestion-Reg.,

---

**Kumarasamy Perumalsamy** <pskumarsun@gmail.com>  
To: HOD CSE <hodcse@ritrjpm.ac.in>

Wed, Mar 16, 2022 at 4:50 PM

Dear Madam,

Thank you very much for approaching me to review the syllabus. I could see that most of the topics are already covered which are relevant to the industry from a Data Mining perspective. I have listed few topics from the Data WareHousing perspective to give a real flavour of where it is used in the industry and its benefits, this can be covered as part of a guest lecture also. Kindly check.

### **Data WareHousing:**

Use cases for a data warehouse  
IoT data integration  
Big data integration  
Natural language processing (NLP)  
Auditing and compliance  
Address data quality issues  
Real-time data warehousing  
High-performance business intelligence platform

Regards,  
Kumar  
Cloud Architect  
9841694010

On Wed, Mar 16, 2022 at 9:51 AM HOD CSE <hodcse@ritrjpm.ac.in> wrote:

Dear Kumarasamy,

Greetings from Ramco Institute of Technology CSE!

As a part of curriculum gap identification, we request your suggestions in our syllabus for one courses **"Data WareHousing and Data Mining"** with the aspects of industry needs, placements, research etc. into consideration.

You can find the syllabus for the courses, PSOs and PEOs attached with this mail.

Kindly give your idea/suggestion regarding inclusion of emerging concepts that

- could be conducted through special sessions
- accomplish our Program Educational Objectives
- fill the gap between the current curriculum in the institution and the industry expectation.
- Any additional topics may be taught through guest lecture, workshop, handson session etc.

Thanks & with regards,  
Dr. K.Vijayalakshmi

9.	Faculty/Department Cooperation					✓
10.	Availability of Infrastructure facilities for placement					✓

**Valuable Suggestions**

1. What courses/workshops would you recommend for our students to improve their technical competency?

..... Make each & every one to learn  
 any of the backend languages & to  
 be strong in it as it became the basic  
 need in all IT sectors.

2. Did you identify any gap in the curriculum in the domain/fields of your organization? If so, could you recommend any online/value added courses for our students to bridge the industry-institute gap?

As far as I have seen, the knowledge from the college is enough. Just make the students to be aware of the coding languages & placements from the first year of Engineering.

3. Any other comments:

Well disciplined students & campus. As we have students as employees from your previous batch, we got to the quality of this college from their performances too.

10.	Availability of Infrastructure facilities for placement					✓

**Valuable Suggestions**

1. What courses/workshops would you recommend for our students to improve their technical competency?

...Java... Python... are... the... two... major... languages...  
 ...used... for... programming... Apart... from... this... in... IT...  
 ...Sector... there... are... many... fields... are... there... Students  
 can choose the thing they're passionate about.

2. Did you identify any gap in the curriculum in the domain/fields of your organization? If so, could you recommend any online/value added courses for our students to bridge the industry-institute gap?

If they're interested in coding, let them practise on HackerRank, SkillRank & more preparation & tutorial websites. To learn basics, they can prefer W3schools.com or SOCOlearn.com.

3. Any other comments:

Make students to think out of the box. IT sector includes many streams. Not only developing, testing, designing, hosting & marketing makes their life better.
