Awareness on Herbal Plants & Survey on Herbal Plants (08.01.2021)

REPORT

National Service Scheme, Unnath Bharath Abhiyan and Eco Club of Ramco Institute of Technology, Rajapalayam jointly organise an awareness program entitled “Awareness on Herbal Plants and Survey on Herbal Plants” on 08.01.2021 for faculty, staff and students of our college. This program was conducted in association with the Aravindh herbals Lab, Rajapalayam. Mr.S.Dhanasingh Raja from Aravindh Herbal Labs Private Limited has acted as the resource person for this event. Initially one hour lecture class was conducted at EEE seminar Hall. Mr.A.Krishnakumar, III/Mech has introduced the resource person and also delivered the welcome address. Around 27 students (3 faculty members, 14 staff members and 8 students) attended this program. Resource person listed the herbal plants and their importance for regular life. He also explained the healthy lifestyle without any diseases. At the end of the program, Dr.P.Thiruramanathan, NSS Program officer delivered the vote of thanks.

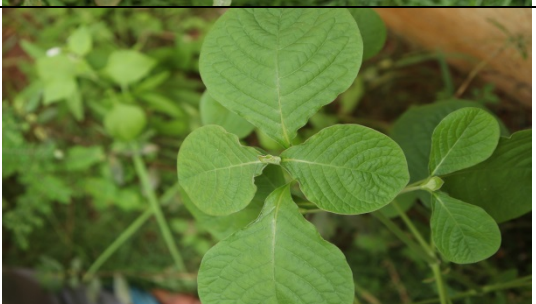

A team of resource persons with some students visited the in and around the college campus and did the survey for herbal plants. This survey is completed with the support of Dr.U.Kumaran, UBA coordinator, Dr.N.Revathi, Eco club coordinator and NSS student volunteers. List of herbal plants available in our college is given below.

Field Visit on Local Ecosystem

The Eco Club of Ramco Institute of Technology conducted an event “Field Visit on Local Ecosystem” on 21.03.2021 at 7.30 am under the guidance of Mr. T. S. Subramaniya Raja, Wildlife lover, Visionary and Special Conservation Awardee. Mr. T. S. Subramaniya Raja explained the importance of improving the campus’ bio-diversity by taking stock of the different species of birds and butterflies. He explained importance of the International Day of Forests 21.03.2021. He discussed the life of elephants in forest very interestingly. Interested faculty members, nature enthusiasts working in different fields, volunteers and students of the college actively undertook a survey of the living species in the campus. They prepared an inventory of 15 butterflies, 20 birds, 10 lizards and 10 dragon flies.
