**INDUSTRIAL VISIT REPORT**

**Name of the Company:** Maveric System (through IIT-Pals)

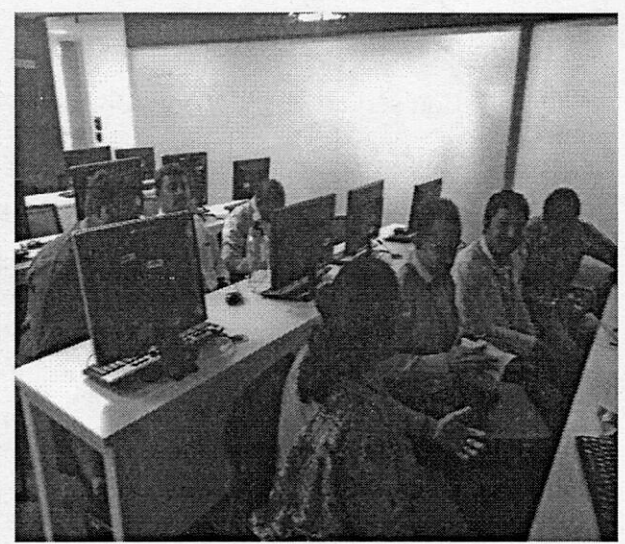

**Location:** Ekkaduthangal, Chennai

**Date of Visit:** 22.10.2019 (Tuesday)

**ABOUT THE INDUSTRY**

Started in 2000, Maveric Systems helps global banking and fintech leaders drive business agility through effective integration of development, operations and quality engineering initiatives. Maveric’s strong banking domain competency combined with expertise across legacy and new age technology landscapes makes it as a preferred partner for customers worldwide. Maveric offers Product Implementation, Integration and Quality Engineering services across Digital platforms, Banking solutions and Regulatory systems. The insight led engagement approach helps their clients quickly adapt to dynamic technology and competitive landscapes with a sharp focus on quality.

Maveric have a dedicated offshore delivery and research center in Chennai, India. Around 1200+ software development life cycle professionals operate across centers in UK, US, Europe, Middle East and APAC and provide services to more than 50 financial services organizations across the globe.

**Discussions in each Session:**

<b>Date and Time</b>	<b>Name of the Speaker</b>	<b>Content Discussed</b>
22.10.2019, 2:00 PM to 2.15 PM	Mr.Baranitharan- PALS IIT Alumini	Introduction on Maveric & Services

Date and Time	Name of the Speaker	Content Discussed
22.10.2019, 2:15 PM to 3:00 PM	Mr.Muthuvel, Senior Manager, Maveric Systems	Overview on Software Testing – Levels, Types & Test Process (Lifecycle)
22.10.2019, 3:00 PM to 3:30 PM	Mr.Muthuvel, Senior Manager, Maveric Systems	Brief on Test Automation & Framework
22.10.2019 3:45 PM to 4:15 PM	Mr.Senthil, Test Manager, Maveric Systems	Non-Functional Testing - Highlights
22.10.2019 4:15 PM to 6:00 PM	Mr.Senthil, Test Manager, Maveric Systems	Project Floor Walk

### Outcome of the Program:

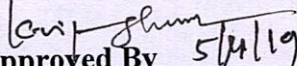

- Gain more knowledge about basic concepts of manual testing and automation testing.
- Identify suitable automation testing tools such as selenium, Appium(Mobile Application testing tool) web service testing using SOAP UI.
- Creating Test suites, Test cases for SOAP/RESTful APIs/Web Services, Working with data source such as Database and Excel in SOAP UI.
- Integrating with Jenkins for Continuous Integration(Jenkins is the leading open source automation server which enables developers to reliably build, test, and deploy their software with continuous integration and facilitating technical aspects of continuous delivery. It support building, deploying and automating any project). It is a server-based system that runs in servlet containers such as Apache Tomcat.
- Implement BDD(Behaviour Driven Development) software delivery with Cucumber framework using Selenium, and JUnit.
- Design test plans and test cases.

### SUMMARY

The purpose of attending the industrial visit is to gain knowledge about the company and identify some opportunities for the student internships or training and recruitment.

I would like to thank my facilitator Dr. K.Vijayalakshmi, HOD/CSE for motivating me to attend such Industrial visit. Also, I extend my sincere thanks to Dr. L.Ganesan, Principal, for his good support for facilitating such valuable opportunities.

Sir,

**Sub: 'Requisition for permission to undergo in-plant training programme in your organization for our faculty members - regarding.**

We wish to inform you that our faculty members of Computer Science and Engineering are interested in attending in-plant training programme in your esteemed organization in two slots (27.05.2019 to 29.05.2019) and (03.06.2019, 04.06.2019 & 06.06.2019). We feel it will be fruitful if the faculty members with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In this context, we request you to kindly give permission for undergoing training to enrich the knowledge about the Statistic and ERP in your esteemed organization during the above mentioned period of 3 days. We shall be grateful to you for a favourable response. Herewith we have furnished the list of faculty members who are interested to attend the in-plant training.

Thanking you,

Yours faithfully,

28.12.2018

Respected Sir,

Sub: Requisition to visit the Ramco Cements, Alathiyur Plant, Ariyalur District- Reg

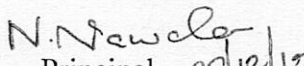

We encourage the students to study industrial problems which would provide them essential background of the industry, terminology and practices. Three of our final year and third year students are doing a project on Trend analysis of Energy consumption using Machine learning techniques. They are analysing the energy consumption data to forecast energy consumption and identify energy wastage in various sections of the industry. So that necessary measures will be implemented to reduce energy consumption. In our college, three faculty from CSE, two faculty from EEE, six students from CSE and four students from EEE are willing to visit the Ramco Cements, Alathiyur Plant, Ariyalur District for three days and collect sample data of Alathiyur Plant during first week of January 2019. In this regard, we kindly request you to grant permission to visit the Alathiyur Plant and discuss the energy consumption data to provide optimized, reliable and robust technical solutions.

**RAMCO INSTITUTE OF TECHNOLOGY**

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**

**Academic Year 2017-18**

**Industrial visit at Bharath Sanchar Nigam Limited , Virudhunagar,**

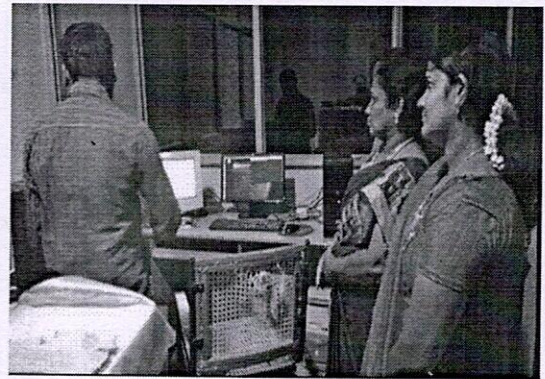

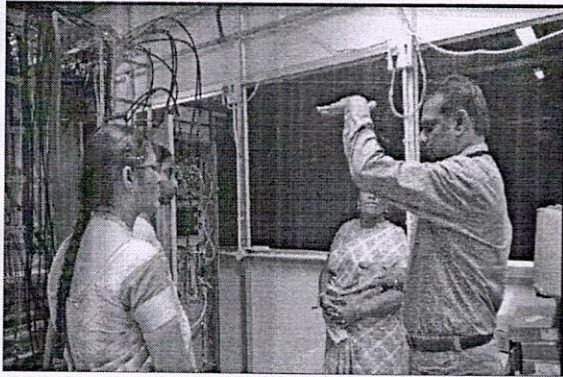

**ATTENDED BY THE FOLLOWING FACULTY MEMEBER:**

- Mrs. M.Swarna Sudha, AP (SG)/CSE,
- Mrs.V.Anusuya, AP(SG)/CSE
- Mrs.B.Vijayalakshmi, AP/CSE
- Ms.J.Sabthami, AP/CSE
- Ramco Institute of Technology, Rajapalayam.

**ABOUT THE INDUSTRY:**

**Bharat Sanchar Nigam Limited** (abbreviated **BSNL**) is an Indian state-owned telecommunications company headquartered in New Delhi. It was incorporated on 15 Septèmber 2000 and assumed the business of providing telecom services and network management from the erstwhile Central Government Departments of Telecom Services (DTS) and Telecom Operations (DTO) as of 1 October 2000 on a going-concern basis. It is the largest provider of fixed telephony and broadband services with more than 60% market share, and is the fifth largest mobile telephony provider in India. BSNL is India's oldest communication service provider and had a customer base of 93.29 million as of June 2015. It has footprints throughout India, except for Mumbai and New Delhi, where telecommunications are managed by Mahanagar Telephone Nigam (MTNL).

In first day of our visit,we visited BSS (Base Station Subsystem). The Base Station Subsystem (BSS) is the section of a traditional cellular telephone network which is responsible for handling traffic and signaling between a mobile phone and the network switching subsystem. The BSS carries out transcoding of speech channels, allocation of radio channels to mobile phones, paging, transmission and reception over the air interface and many other tasks related to the radio network. The base transceiver station, or BTS, contains the equipment for transmitting and receiving radio signals (transceivers), antennas, and equipment for encrypting and decrypting communications with the base station controller (BSC). Typically a BTS for anything other than a picocell will have several transceivers (TRXs) which allow it to serve several different frequencies and different sectors of the cell (in the case of sectorised base stations).This BSNL Division has 4 BSS.

### Day 2:

In the second day we visited IT cell. This cell describes software used for their maintenance, Routers, Switches, Proxy Server. SAP ERP is management software consists of several modules, including Financial Accounting (FI), Controlling (CO), Asset Accounting (AA), Sales & Distribution (SD), Material Management (MM), Product Planning (PP), Quality Management (QM), Project System (PS), Plant Maintenance (PM), Human Resources (HR). SAP ERP collects and combines data from the separate modules to provide the company or organization with enterprise resource planning. They describes the Value Added Services, GSM, IVRS based system.

### SUMMARY:

The purpose of visiting the industry is to gain knowledge about the contribution of computer science in Telecom Industry.

We would like to thank our facilitators Dr. K. Vijayalakshmi, HOD/CSE for motivating us to attend such Industrial visit. Also, we extend our thanks to Dr.S.Rajakarunakaran, Principal, for his good support for facilitating such valuable activities at CSE Department.

Sir/Madam,

**Sub.: Request to provide Industrial Training for the Faculty members of our Institute for Three days - reg.**

Greetings!!!

As a part of our regular Teaching-Learning process, faculty members of our Institute are advised to attend three days training in any one of the Industrial Units for every academic year.

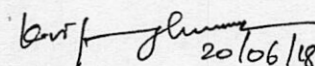

Due to the leverage of Internetworking technologies in the past few years, we feel that we require more practical skills in the field of Networking and Security tools and its usage. Also as a part of utilising the MoU signed for dissemination of knowledge between BSNL, Virudhunagar and Our Institute, we request you sir to provide three days of practical training to the following faculty members of our Institute in Virudhunagar BSNL office in the last week of June 2018.

Sl. No.	Name of the Faculty member	Designation	Contact No.

Sir,

Sub: In-Plant Training programme attended in your organisation by our CSE  
Faculty members – Thanks regarding.

Thank you very much for having permitted our five CSE faculty members to attend the three days In-Plant Training program in RAMCO systems from 18.06.18 to 20.06.18. Three days of training sessions were very informative, very well presented and useful to them. They have learnt about basic concepts of .NET framework and ASP. NET. First day session was basic concepts of .NET framework, web services, object oriented concepts, hands-on session on ASP.NET and SQL Server connection. Second day session was creating master page in ASP.NET, state management system, web service concepts and hands-on session on master page creation. Third day session was practical session on web services, concepts of WCF services and hands-on session on WCF services. We are very thankful to you and your team for the wonderful and enriching experience which they will cherish in their entire professional career.

Thanking you,

Yours faithfully,

**Faculty In-Plant Training on “ASP.NET”**

**18<sup>th</sup> June 2018 to 21<sup>st</sup> June 2018**

**Trainer: Ms. Parvathi Ramco Systems , Chennai.**

**Faculty Attended by:**

1. Mr.A.S.Prabaharan Assistant Professor (SG)/CSE
2. Mr. D.Lakshmanan, Assistant Professor/CSE
3. Ms.G.Mahalakshmi, Assistant Professor/CSE
4. Ms. S.Manjula, Assistant Professor/CSE
5. Ms.P.Jothi Thilaga Assistant Professor/CSE

**Venue: Ramco System Chennai.**

CSE faculty members attended the three days In-Plant Training program in RAMCO systems. They have learnt about basic concepts of .NET framework and ASP. NET. Three days of training sessions were very informative, very well presented and useful to them. The three days training sessions are as follows:

**Day 1:**

- Basic concepts of concepts of .NET framework
- Architecture of .NET framework
- Concepts of Object Oriented Structure
- Basic concepts of ASP.NET
- Hands-On session on ASP.NET and SQL Server connection

**Faculty members with Trainer Ms.Parvathi at Ramco system, Chennai**

### Day 2:

- Concepts Web Master page
- How do creating the Web Master page
- Concept of State management system.
- Hands-On Session on Master page creation
- Concepts of Web services

### Day 3:

- Hands-On Session on Web Services
- Concepts of WCF services
- Hands-On Session on WCF services

**Faculty members with Trainer Ms.Parvathi at Ramco system, Chennai**

All the session was very useful to the faculty members. The entire session on the whole was much informative to the faculty and the faculty will be able of assess their knowledge on ASP.NET. They will also use this knowledge their entire professional career and the student community.

Respected Sir/Madam,

Greetings for Ramco Instittue of Technology,

Our faculty members and final year year students are interested in attending the in-plant training in your esteemed organization to get the industry needs and exposure.

I have sent the hard copy of the In-plant training letters. Herewith i have attached the In-plant training permission letter for students and faculties.

We request you to kindly give permission to undergo IPT in Ramco systems for students and faculties.

We are expecting your approval at the earliest, and accordingly we will proceed further.

Thanking you  
Dr. K.Vijayalakshmi

Hi Vijalakshmi,

For Faculties – They can be here from 30<sup>th</sup> May to 1<sup>st</sup> June. Between 30<sup>th</sup> and 31<sup>st</sup> May – we have scheduled for SQL Performance Tuning training. Your faculties can be part of that training. On 1<sup>st</sup> June – Our R&D team will share their knowledge on the technological advancement

For Students – We are yet to finalize the training dates for June. Will get back to you with the exact dates for SQL training by next week.

Regards,

T.S.Priya

Sir,

**Sub:** Requisition for permission to undergo in-plant training programme in your organization for our faculty members - regarding.

We wish to inform you that our faculty members of Computer Science and Engineering are interested in attending in-plant training programme in your esteemed organization preferably during the period between 22.05.17 and 04.06.17. We feel it will be fruitful if the faculty members with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In this context, we request you to kindly give permission for undergoing training to enrich the knowledge about latest technological advancements in your esteemed organization during the above mentioned period of 3 days on mutually convenient dates, as per your norms. We shall be grateful to you for a favourable response. Herewith we have furnished the list of faculty members who are interested to attend the in-plant training.

Thanking you,

Yours faithfully,
