Department of Computer Science and Engineering in association with RIT Alumni Association organized a motivational session for II Year CSE Students. Mr. Vignesh Prabhu emphasized the importance of continuous upskilling to remain competitive in today's evolving job market. Mr. Sundara Mahalingam highlighted the effective usage of AI in one's respective domain, encouraging students to leverage modern tools for learning and productivity. Additionally, Mr. Jeya Aravinth stressed the significance of engaging in projects and participating in hackathons to gain practical exposure and enhance employability. The students actively interacted with their seniors, gaining clarity on the importance of pursuing relevant certifications and learning effective resume preparation techniques to improve their chances of securing placements..
