The Department of Computer Science and Engineering, Ramco Institute of Technology (RIT), in association with the IE(I) Student Branch, RIT Alumni Association and in collaboration with Rajapalayam Rajus College, successfully organized HACKASTRA-2026, a 24-hour National Level Hackathon, on March 27–28, 2026. A total of 34 teams comprising 102 students from various reputed institutions participated enthusiastically, working on innovative themes such as Smart Education, Smart Automation, Blockchain Technology, Cyber Security, and Health Education. The event was inaugurated by Mr. Harsha (Batch 2020–2024), PriceFx Certified Configuration Engineer at Lavendal Consulting, who inspired students with insights into emerging technologies and innovation. On Day 1, the projects were evaluated by Mr. Harsha, who also guided and mentored the teams. On Day 2, Mr. Dhiraj (Batch 2020–2024), Technical Staff Member at Zoho,

Madurai, evaluated the projects and shared his expertise to further support the participants. The winners of the hackathon are as follows

- First Prize – Kalasalingam Academy of Research and Education,
- Second Prize – Mepco Schlenk Engineering College,
- Third Prize – National Engineering College.

The event concluded successfully with active participation and enthusiastic involvement from all students.
