“Student – Alumni Interaction meet” – RIT/MECH/AM/21-22/01 – Student- Entrepreneur meet was held by the department of Mechanical engineering on 15.11.21 (Monday). Initially this alumni interaction event is planned on 12.11.2021, then this event is postponed to 15.11.2021 due to natural calamities. The prime objective of the program is to share Entrepreneurial skills, scope of startup business for beginners and build strong relationship between the students and alumni. He motivated the EDC student members regarding Start up by own concept and progression towards Management studies after Engineering degree. At the end of the session there was an interactive session, where students gained information about new start up business, business strategies in food delivery app systems.
