Details:**Chief Guest/ Guest of Honor:** Mr. P. Esakkiraja,**Designation:** Deputy Manager-Mechanical, The Ramco Cements Limited- Alathiyur Works**Speakers:** Nil**Report***(maximum 250 words)*

The Department of Mechanical Engineering, in association with the Institution of Engineers (India) – Mechanical Chapter, successfully organized a “Project Demonstration” event on 13th May 2025. The event was exclusively held for the final year (IV year) Mechanical Engineering students, with an active participation of 63 students. The primary objective of the event was to provide students with a platform to showcase their final year projects, highlight their technical skills, and receive constructive feedback from industry and academic experts.

Mr. P. Esakkiraja, Deputy Manager–Mechanical, The Ramco Cements Limited – Alathiyur Works, graced the occasion as the esteemed guest. He brought with him valuable industrial insights and evaluated the student projects with a keen eye on innovation, feasibility, and real-world application. His expert suggestions helped students gain a broader understanding of how their academic learning translates into industrial needs.

Mr. S. Valai Ganesh, Assistant Professor (Senior Grade), Department of Mechanical Engineering, RIT, served as the resource person for the event. He guided the students throughout the demonstration sessions, ensuring that each team was able to present their work clearly and effectively. His mentoring encouraged students to communicate their ideas with confidence and precision.

Mr. B. Shanmugapandi, a second-year Mechanical student, coordinated the event efficiently, contributing to its smooth execution.

Overall, the event was highly appreciated by both the students and faculty. It fostered technical communication, peer learning, and industry-academic interaction, marking a significant milestone in the academic journey of the graduating batch.
