Report

(maximum 250 words)

The Department of Mechanical Engineering, in association with the Institution of Engineers (India), organized a two-day event titled “Technical Quiz” on 01–02 February 2026. The event was conducted with the objective of enhancing students’ technical knowledge, analytical thinking, and competitive spirit in core areas of Mechanical Engineering.

A total of 41 members actively participated in the quiz program. The event witnessed enthusiastic involvement from students, who showcased their understanding of fundamental and advanced mechanical engineering concepts. The quiz was structured into multiple rounds, covering subjects such as Engineering Mechanics, Thermodynamics, Manufacturing Technology, Fluid Mechanics, Materials Science, and recent technological advancements. Interactive rounds, rapid-fire questions, and problem-solving segments added excitement and encouraged active engagement among participants.

The primary aim of the event was to promote self-assessment, strengthen conceptual clarity, and motivate students to stay updated with current developments in engineering and technology. The competition also fostered teamwork, quick decision-making skills, and healthy academic competition among students.

Mr. C. Thiyagarajan, III Mechanical Engineering, served as the student coordinator and efficiently managed the event proceedings, ensuring smooth conduct of all quiz rounds. The program was coordinated by Mr. S. Valai Ganesh, AP(SG)/Mech and Faculty Adviser – IE(I)/Mechanical, who guided the overall planning and execution of the event.

The Technical Quiz proved to be a meaningful academic initiative that encouraged knowledge sharing, improved technical competency, and strengthened student engagement under the IE(I) Mechanical chapter activities.
