Program Details:

Department of Mechanical Engineering in association with SAE India Collegiate Club of RIT organized the orientation program on "**Engineering Internship- Roller Coaster**" for II & III year students through WebEx platform. The Engineering Internship- Roller Coaster will focus on building as well as applying these skills in real life in two-fold.

- Engineering Design (ED) Internship (Learn)
- Engineering Design (ED) Challenge (Apply)

The internship road-map of work was designed as an answer for the questioning that is faced by the students to meet with the requirements of the industry. The main objective of this contest to test the student's knowledge

- Identify the issues and learn from the failure.
- Provide suitable counter measures for the issues.
- Use creativity and spatial thinking to solve problems.
- Apply engineering design process to real life problem.

Totally 18 students participated for this program. Mr. R.Venkatesh, AP/Mech and Mr.S.Kathiravan, AP/Mech faculty coordinators for this program. Mr. B.Keerthivasan and Mr. J.M Bala Abishek student coordinators for this program. The overall feedback of this Program is Very Good.
