1. Objectives

The primary objective of this MoU is to create research collaboration between the institutes.

- To jointly propose and engage in research or training programmes as per national priorities; sponsored by funding agencies; and to invite each other's scientists / faculty members to participate therein.
- To exchange the information on research with due approval of the competent authority of institutes.
- To jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's scientist/faculty to participate therein.
- To jointly organize seminars, conferences or workshops on topics of mutual interest and to invite each other's scientist/faculty to participate therein.
- To exchange on reciprocal basis students/scholars for limited periods of time for the purpose of research.
- To undertake collaborative research / technical projects funded from external agencies.
- To have skill-based training and collaboration on Entrepreneurship related activities, Intellectual Property Rights (IPR), Start-up activities; technical training, and Innovations through RIT - Institution's Innovation Council (IIC).

2. Terms and Conditions

- There is no financial commitment between the institutes. If there is any financial consideration, both institutes will discuss and finalize at the time of execution.
- For the visit related to advice and consultancy, travel and other expenses shall be worked out by the concerned institute.
- Both institutes use the library facility for each other.
- Both institutes agree to help, identify and to invite faculty members and researchers from the other institutes to participate in conferences, seminars, workshops and short term courses.
- Institutes are responsible to obtain all internal approvals, consents, permissions and licenses of whatsoever nature required.

3. Intellectual Property

Nothing contained in this MoU shall, by express grant, implication, estoppel or otherwise create in either party any right, title, interest or license in or to the intellectual property (including but not limited to knowhow inventions, patents, copy rights, designs) of
