- To exchange on a reciprocal basis, the students/scholars for limited periods of time for the purpose of research.
- To support Internship by way of willingness to intake students and provide them practical knowledge and guidance as required for the internship programme.
- To have industrial consultancy, skill-based training, and collaboration on Entrepreneurship related activities, Intellectual Property Rights (IPR), Start-up activities; technical training, and Innovations through Intuition's Innovation Council (IIC) and RRC Incubation Centre.
- To jointly organize short-term continuing education programmes on topics of mutual interest.
- To jointly organize seminars, conferences or workshops on topics of mutual interest.
- To undertake collaborative research / technical projects funded from external agencies.

2. Terms and Conditions

- There is no financial commitment between the institutions. If there is any financial consideration, both institutes will discuss and finalize at the time of execution.
- For the visit related to advice and consultancy, travel and other expenses shall be worked out by the respective institute.
- Both institutions can use the library facilities of the other.
- Both institutions can avail the laboratory / technical facilities after getting prior consent from the other institutions.
- Both institutions agree to help, identify and to invite faculty members, researchers and scholars from the other institutes to participate in conferences, seminars, workshops and short term courses.
- Institutes are responsible to obtain all internal approvals, consents, permissions and licenses of whatsoever nature required.
- Provide academic interaction by delivering guest lectures at both institutes on the topics related to research and social needs.
- To facilitate training for teachers, lab technicians, and non-teaching staff.
- This MoU may be amended, renewed, and terminated by mutual written agreement by the institutes at any time.

3. Proposed Mode of Collaboration

Ramco Institute of Technology and Rajapalayam Rajus' College propose to collaborate through the following:

- Cooperation and promotion of education, research, and training towards mutual interests.
- Any other appropriate mode of interaction agreed upon between both the institutions. A specific plan will be worked out by the institutes depending upon the availability of resources. A specific agreement will be entered for each activity

4. Intellectual Property

Nothing contained in this MoU shall, by express grant, implicate or otherwise create in either party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how inventions, patents, copyrights & designs) of the other party.

5. Validation Period

This MoU unless extended by mutual written consent of the institutions shall expire in five years after the effective date specified in the opening paragraph. However, on review, the MoU shall be extended for another two years by mutual consent.

6. Coordination Committee

Coordinators from both the institutions

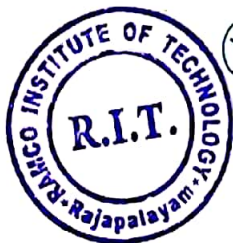

| Two coordinators from Ramco Institute of Technology | Two coordinators from Rajapalayam Rajus' College |
|--|--|
| Dr. L. Ganesan The Principal, Ramco Institute of Technology, Rajapalayam | Dr.D.Venkateswaran The Principal Rajapalayam Rajus' College, Rajapalayam |
| Dr. S. Rajakarunakaran, Vice-Principal & Coordinator, IQAC Ramco Institute of Technology, Rajapalayam | Dr.P.Suriakala Coordinator, IQAC Rajapalayam Rajus' College, Rajapalayam. |

7. Use of Institutions' Name: Advertising and Publicity

Neither Institution will use the other Institution's name, or any name that is likely to suggest that it is related to the other Institution, in any advertising, promotion or sales literature without first obtaining the explicit written consent of the other institute.

8. Confidentiality

The institutes anticipate that within the context of this MoU it may be necessary or helpful to transfer information/data of proprietary or otherwise sensitive or company-
