RIT OBC - Cell

The RIT OBC Cell has been established in the academic year 2022-2023 in accordance with the guidelines set forth by UGC.

Objectives

1. To empower students from Other Backward Classes (OBC) through education and enlightenment, enabling them to seize opportunities and achieve success in their academic careers.
2. To dismantle barriers and establish a fair system of educational opportunities for OBC students, empowering them to reach their full potential.
3. To equip OBC students with the latest information and resources regarding government benefits and facilities, empowering them to access and utilize these opportunities effectively.
4. To ensure, all the OBC students get the due grants/scholarships/ allowances from the state and central government as per the rule.
5. To guide and empower OBC students through comprehensive advising and mentoring, equipping them with the knowledge and skills to overcome academic challenges and thrive in their studies.

Roles and Responsibilities

1. To actively address, resolve issues and grievances raised by OBC students concerning admissions, scholarships, and other related matters.
2. To facilitate specialized programs and initiatives that accelerate student career growth.
3. To spearhead the dissemination of opportunities from governmental agencies and other sources through informative programs.
