Report:

On behalf of RIT, the Department of Electrical and Electronics Engineering in association with RIT-ELECTRA conducted the event **Display of Technical Information** on the theme “**Green and Sustainable Electrical Engineering**” on February 03, 2026. The event was coordinated by **Dr. S. Jeyanthi, AP-III/EEE, Ramco Institute of Technology, Rajapalayam.**

Students of the EEE department actively participated in this event by preparing technical posters related to green energy technologies and sustainable electrical engineering practices. The participants demonstrated their technical knowledge and creativity through their poster presentations covering areas such as renewable energy systems, electric vehicles, smart grids, energy conservation techniques, and eco-friendly electrical solutions.

All the submitted posters were consolidated and shared through an online platform for evaluation. The winners were selected based on the voting process, and a total of **161 votes** were received from faculty members and students.

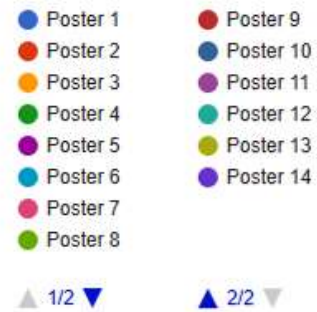

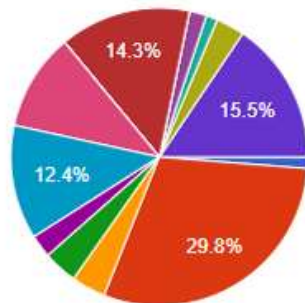

Based on the voting results, the winners are:

- **First Prize:** Suvetha S & Maharasi B (III Year EEE) – Poster 2 (48 votes)
- **Second Prize:** Manoj Kumar P & Mohamed Reyas B (III Year EEE) – Poster 14 (25 votes)
- **Third Prize:** Mohana Kirithika S & Suzan Jennifere X (II Year EEE) – Poster 9 (23 votes)
